OFFICE OF LEGISLATIVE COUNSEL

Monday - 9 June 1975

25X1 [redacted]  
25X1 1. [redacted] Called Robert Kerr, in the office of Representative Andrew Maguire (D., N.J.), to tell him that the Agency representative whom we had thought might be available to attend the conference on ~~Spain~~ sponsored by the Fund For New Priorities in America, would not be available tomorrow and regretted that we did not have another Agency representative appropriate for this purpose. Kerr expressed regret, but hopefully, understood that we had at least tried to provide an Agency representative.

25X1 2. [redacted] Charles Snodgrass, House Appropriations Committee staff, called about the paper OGC is preparing on the constitutional issue regarding publication of the Agency budget. I told him I had checked with Mr. Warner this morning and the paper would be ready for him tomorrow.

25X1 3. [redacted] Called Clark McFadden, General Counsel, Senate Armed Services Committee, to tell him that the staff of the Senate Select Committee has requested access to the Director's prepared statements on intelligence briefings given to the Senate Armed Services Committee. I said we did not propose to show the Committee the transcript of these, but certainly, we would be in a difficult position to refuse access to the prepared statements. McFadden said he was inclined to agree and thought it would be a good idea for me to mention this to Chairman Stennis. I said I would do so.

25X1 4. [redacted] Jay Sourwine, Senate Internal Security Subcommittee staff, called to ask if we had any record of the criminal or other use of the poison known as Alstonine. Sourwine is particularly interested in whether we have any record of the use of this substance by the KGB.

25X1 5. [redacted] Dorothy Fosdick, Permanent Investigations Subcommittee staff, called and asked if I could tell her anything of the current status of Breshnev. I told her I would check and be back in touch with her. STAT
